Headline:
Dry. Sunny or clear spells. Mist and low cloud.

This Evening and Tonight:
Dry with clear periods this evening and overnight, but mist and low cloud will extend through the Central Lowlands towards the Glasgow area. A cold night where skies remain clear with touch of frost. Minimum temperature -1 deg C (30 deg F).

Tuesday:
A dry day with sunny spells developing in many areas. However, it will be a grey and misty start for some, although most of this should clear by the afternoon. Maximum temperature 10 deg C (50 deg F).

Outlook for Wednesday to Friday:
The mostly dry, settled weather looks set to continue with sunny spells and light winds. Some frosty nights and turning colder by day later in the week.
